

Exposures Without Triggering Morality

Karl Solomon

November 14, 2024

1. Document of questions to ask interviewers
2. GPS project
 - PCB design/layout
 - Component selection
 - Driver Writing
 - GCov + Unit Tests
3. Coding interview practice
4. Write cover letter for resume
5. Search for Jobs
6. Make a timeline for applying to jobs
7. Reach out to Matt's friend (photonics startup).
